MDL No. 2327

JUDGE GOODWIN

This Document Relates to all Cases

**APPLICATION FOR APPOINTMENT TO SERVE ON PLAINTIFF'S STEERING
COMMITTEE**

E. Powell Miller respectfully files this Application in support of appointment of my colleague and co-counsel Alyson Oliver of the Oliver Law Group to the Plaintiff's Steering Committee ("PSC"). I am co-counsel in *Laswell v. American Medical Systems, et al* (S.D.W.V. Docket No 2:12-cv-00425), and Plaintiffs in each of the other consolidated matters, and intend on serving as Ms. Oliver's co-counsel in the many cases that will be filed by Oliver Law Group in this Court.

I have served for the last several years as a Co-Chair of the American Bar Association MDL and Class Procedures Subcommittee. I have extensive experience in complex litigation, and am currently serving as lead or co-lead in: In re AIG 2008 Securities Litigation (United States District Court, Southern District of New York) (Case No. 08-cv-04772) (Co-Lead); Holder et. al. v. Enbridge et. al. (United States District Court, Western District of Michigan) (Case No. 10-cv-751) (Interim Co-Lead); In re Refrigerant Compressors Antitrust Litigation (United States District Court, Eastern District of Michigan) (Case No. 09-md-02042) (Interim Co-Lead); In Re Onstar Contract Litigation (United States District Court, Eastern District of Michigan (Case No. 07-1867) (Interim Co-Lead); In Re Caraco Pharmaceutical Laboratories, Ltd. Securities Litigation (United States District Court, Eastern District of Michigan) (Case No.

2:09-cv-12830) (Co-Lead Counsel); The Board of Trustees of the City of Birmingham Employees et. al. v. Comerica Bank et. al.(United States District Court, Eastern District of Michigan) (Case No. 2:09-13201) (Co-Lead Counsel). My resume is attached as Exhibit 1.

I have reviewed the Proposed Counsel Structure Plan filed with the Court for MDL 2325, 2326, and 2327 on March 19, 2012, and join in the recommendation to the Court that the plan be accepted with one alteration: the inclusion of Ms. Oliver in the PSC. Given the proposed inclusion of several attorneys from the same firms there should certainly be room for Ms. Oliver. Ms. Oliver has acquired extraordinary knowledge in transvaginal mesh products as she currently represents several hundred clients in this area and has lectured on this topic. I was so impressed with Ms. Oliver, and more specifically her knowledge and expertise in matters that involve transvaginal mesh products, that I invited her and her attorneys to move into my office building in order to facilitate working closely with her on these cases. I have worked with Ms. Oliver on several matters involving complex litigation and she has the knowledge, expertise and talent to serve the Steering Committee with distinction.

Respectfully submitted,

/s/ E. Powell Miller
